REAL INFORMATION ONLY — VERIFY BEFORE PUBLICATION

Part 1 — Faculty and Campus Information

Bahria University Karachi Campus (BUKC) is located at 13 National Stadium Road, Karachi. The university's official campus information describes three schools at the Karachi campus: Bahria Business School (BBS), Bahria School of Engineering & Applied Sciences (BSEAS), and Bahria Humanities & Social Sciences School (BH3S). The campus was established in 2000.

Official faculty directory

Use the university's official faculty directory to confirm a person's current campus, department, designation and research area: https://www.bahria.edu.pk/Home/Faculty. Search results can include multiple campuses, so check that the campus field says BUKC before using a staff member in your file.

Examples listed with campus code BUKC in the university faculty search results

Name shown in directory	Department	Designation / area shown

Important: These are examples from the official faculty search results, not a complete faculty list. Staff roles and directory information may change; re-check the official page before submitting or publishing.

Part 2 — Faculty-wise Admission Flyer Concepts

These are draft promotional concepts. They describe academic areas without inventing programme availability, fees, deadlines, rankings, scholarships or guaranteed career outcomes.

Flyer A — Business School

EXPLORE BUSINESS. BUILD YOUR FUTURE.

Discover the learning opportunities associated with business and management. Explore the current programmes, eligibility criteria and admission details through Bahria University's official website.

Suggested visual: Pakistani university students discussing a project around a table; navy blue and white palette; clean, professional layout.

Call to action: Visit the official Bahria University website for verified programme and admission information.

Flyer B — Engineering & Applied Sciences

TURN CURIOSITY INTO INNOVATION.

Explore learning in engineering and applied sciences. Check the official programme pages for current degree offerings, entry requirements and application dates.

Suggested visual: students working collaboratively on a supervised academic project in a modern lab; no invented lab equipment or fake university logo.

Call to action: Visit the official Bahria University website for verified programme and admission information.

Flyer C — Humanities & Social Sciences

UNDERSTAND PEOPLE. SHAPE IDEAS.

Explore the study of people, communication, society and ideas. Visit the official university website to confirm current programmes and admission requirements.

Suggested visual: students reading, presenting and discussing ideas in a classroom or library; realistic Pakistani campus setting.

Call to action: Visit the official Bahria University website for verified programme and admission information.

Part 3 — Three Separate Reference Files to Prepare

File name	What to include	Use
01_Faculty_Information.pdf	Campus/school overview; faculty names, departments, designations and research areas copied from the official directory	Reference file for accurate staff information
02_Faculty_Admission_Flyers.pdf	Three draft flyer concepts above; add images only after checking they are approved for use	Use for proofing, then ask for the designed flyer
03_Fact_Check_and_Sources.pdf	Official links; statements used in posters; checks for programme names, fees, deadlines, scholarships and contact details	Proof before any campaign is published
